BE HONEST but hate no one; it must be done in the overturn a man's wrongdoing turning of the wrong.—Abraham Lincoln.

How to make good telephone service even better...

memo to a popular 'teen-ager'...

Dear Susan: We're leaving this little note for you to read the next time you're at the telephone.

We want you to know we're delighted that the telephone rings so often for you these days . . . and that you have so many friends to call.

But we hope you'll remember that we share this line with our telephone neighbors. They like to use it, too. And, of course, we know you'll keep

in mind that no one can call us as long as the line is tied up. Lovingly, Mother and Dad.
